

The 3D Platform Workbench is shipped in a large crate. 3DP recommends storing the crate for future shipments of the printer, but if this is not possible...

3D Platform will buy back your crate!*

Choose between:

or

Based on your choice, you will receive a refund check of **\$250** or **3 spools of 3DP filament** upon return of the crate to our shipping address.

1. Complete the form and email back to shipping@3DPlatform.com to request a prepaid return shipping label.
2. Schedule your pickup with UPS Freight.
3. Once your request is processed, you will receive a return email with P&D label.

Eligible Crates

WS100

WS200

WS300

* Crate buy back program is available in the (lower 48) United States. Crate pickup location must have a dock and forklift for the shipping company to load the crate onto their truck. Crate must be returned in 120 days of the delivery date of your machine in acceptable working condition. This paperwork needs to be submitted electronically (shipping@3DPlatform.com) to us within 90 days of the delivery date of your machine. Crates from WorkSeries 100, 200, and 300 are eligible. NOTE: Crates from the WorkSeries 400 do NOT qualify for this program. Please allow 4-6 weeks of processing time from time of crate return to receipt of refund.

Crate Buy Back Program

Eligibility Checklist

All items to the right must be applicable and boxes checked to qualify

- 1 ☐ Crate located in the lower 48 United States
- 2 ☐ Crate is from a WorkSeries 100, 200, or 300 machine
- 3 ☐ Crate must be in acceptable working condition
